

BevBasix Bar Blender BB145+BB145S

Unit Information

Powerful and versatile, the BevBasix™ Commercial Blender covers all the beverage basics. Blend up to 25 drinks daily, from smoothies to daiquiris to margaritas, plus crush ice and create a variety of dips, salsas, and soups. The 1/2 HP motor ensures high performance, and toggle switches make it easy to change speeds from HI and LO.
