

# WIH800X

## STEP-UP Double Induction Range

### MAIN FEATURES

- Low-profile case provides a more natural cooking height
- Fast: Quick and intuitive heating response
- Precise: Maintains accurate temperature control
- Safe: No exposed heating element – energy is transferred directly to induction-ready cookware, helping reduce the risk of accidental burns
- Easy to clean: Spills wipe up easily from the Schott Glass®\* ceramic glass surface
- Innovative, step-up design saves vital counter space and provides safe, easy access to the rear burner while the front burner is in use
- Independent, easy-touch front and rear burner controls with 12 temperature settings from 120°F to 500°F (50°C to 260°C)
- All-stainless steel construction with a blue LCD display
- Independent 10-hour countdown timers
- Small object/empty pan detection
- Limited One-Year Warranty

\*Schott Glass® is a registered trademark of Schott AG.

### ELECTRICAL

Voltage: 240

Frequency: 60Hz

Watts: 3600

Amps: 15

Plug Type: NEMA 6-15P

Cord Length: 4 feet

### SALES FEATURES

Stir-fry, reduce sauces, melt chocolate and more with the Waring® STEP-UP Double Induction Range. Independent front and rear controls let you adjust temperature, choosing from 12 settings from 120°F to 500°F. The step-up design keeps both burners within safe and easy reach. This range is lightweight with a single-range footprint, making it perfect for small kitchens with limited counter space.
