

10 Tray Food Dehydrator WDH10

Unit Information

Dried foods can add unique flavors and textures to drinks, meals and desserts, and with the Waring® WDH10, a business can prepare its own. The 10-tray dehydrator makes delicious jerky, dried fruits, herbs, vegetables and more. Accommodates large batches without taking up much counter space. Engineered to concentrate flavor and preserve freshness, with intuitive touchscreen controls that make the dehydrating process simple.
