

Commercial Rice/Multi-Cooker & Warmer WRC40

Unit Information

Maximize menu variety with this multifunction 40-cup rice/multi-cooker & warmer. Engineered to cook rice varieties to the ideal consistency, it features touchpad controls that also make it easy to cook porridge, oatmeal, soup or broth. Countdown Timer ensures perfect results, and Keep Warm function keeps food ready to serve. The insulated stainless steel construction is double walled, with a PFAS-free ceramic-coated removable inner pot, silicone anti-scorch pad, and heated hinged lid for optimal output.
