

5 Gallon Hot Water Dispenser WWB5G

Unit Information

Designed to conserve countertop space while providing maximum dependability and durability, Waring's 5-gallon hot water dispenser is ideal for making hot beverages, soups, grits, oatmeal, and more. Equipped with digital controls and an adjustable temperature range, the unit is simple to use, with a removable drip tray that makes cleanups easy. The Night Mode feature ensures hot water is ready to pour from the drip-proof tap whenever needed. Great for corporate kitchens, convenience stores, and catered events.
